The review period begins on the day that a complete application with sufficient information is received by the Architectural Control Committee.

Notes to Homeowners/Residents:

- 1. If an approved project is not complete within one year from the approval date, you must submit a new application.
- 2. Approval for any project by the Association does not in any way imply waiver or approval of Prince William County requirements. Projects must comply with all county requirements. It is the homeowner's responsibility to obtain any required county building permits.
- 3. If your request has been disapproved, you may request reconsideration by the ACC if new or additional information that might clarify the request or demonstrate its acceptability can be provided. You may appeal this decision one time to the Association's Board of Directors at its regularly scheduled meeting. This appeal must be in writing and must demonstrate that the ACC failed to correctly apply the Guidelines/Covenants in reaching its decision.

Thank you for helping to keep our community beautiful. Your neighbors and the Association appreciate your cooperation. Send Applications to: Bridlewood Community Assn., C/o Sequoia Management Company, 13998 Park East Circle, Chantilly, VA 20151-2283
